Included in the frame of photos is a tiny sampling of some of Manfred's settlers, as well as a few people from later generations.

## The settlers joined together to create communities like Manfred...

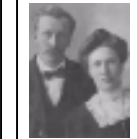

The early settlers were filled with hope and determination to secure a bright future for themselves and their families, despite many hardships. And now, through means of an Endowment Fund, we have the opportunity to express our thanks to them for all they did making it possible for their story to be shared long into the future. We are all a part of this story, as descendents of settlers somewhere in the USA. We are who we are because the settlers came!

Let us join together to help the settlers story, our story, live on. Please give thoughtful consideration to how you would like to give to the Endowment Fund of Manfred History and Preservation, Inc. (MHP, Inc.), a qualified charity. There are a number of ways in which a gift may be made to MHP, Inc., a few suggested methods might include: Cash, Gifts of Securities or Stock, Real Estate, Life Insurance, or Charitable Bequest. A legal advisor can perhaps advise and guide you.

MHP, Inc. is a member of the Harvey Chamber of Commerce, Museums in North Dakota and Preservation North Dakota, partners with the Wells County Historical Society, North Dakota State Historical Society and other historical groups, and devoted to education and the well being of rural America.

## ...They gave us so much! Through the Endowment Fund, we can express our thanks in return.
